

February 2017

PRESIDENT'S MESSAGE:

As we finished 2016 with **Maria Elena Hanley**, we also started 2017 with her. Maria Elena led our members to see **Madeleine Albright's** "Read My Pins" exhibition at the Legion of Honor. The group enjoyed it so much that they are urging all for more fieldtrips like that. Thank you, Maria Elena, I am looking forward to hear the details.

On another note, a few of our members were in Washington DC during inauguration weekend including **Dottie McHugh**. Dottie will chair our February general meeting and will share her experience, I can't wait.
