

# April 2018

## PRESIDENTS' MESSAGE:

After the previous stormy days, clouds parted, and the sun beamed down on both sellers and buyers at our Garage Sale. Turnout was excellent and smiles abounded. A sincere thank you to all who participated in making the event a success, especially co-chairs **Ingeborg McGlynn** and **Nancy Hagosian** and their team: **Nancy Butte**, **Laura Outsen**, and **Pansy Waller**. Coffee and baked goods provided by Laura, Pansy, and Ingeborg were a welcome addition. An extra big THANK YOU to **George McGlynn**, who made the advertising signs, placing them in strategic positions around the neighborhood as well as retrieving the signs after the sale and returning the A boards to **Dena Aslanian Williams** with thanks.

The recipient of the Community Service proceeds, decided by drawing names from the table renters, went to **Casa De La Madras**. Thanks to all for another successful event!

**## Did You Know?**

You can create the foundation for a unique arrangement from the green plant materials around your own home and the gardens of your friends? With the addition of a few interesting flowers from the flower market, your favorite grocery store, or your favorite garden plants, you have the makings for unique beauty!

**## Learn How:**

Our friend and neighbor, *Eva Monroe* will share her bag of floral tricks with you in a classroom setting in the Club House.

**## Please Bring:**

- Green cuttings from your yard (or friend's yard) of different varieties and length, texture and size. Think at least 12" tall  
for some materials. Look for greens that have different colors of green, hang down, grow straight up or have interesting branches. Bring at least 4-6 cuttings from the same plant.
- Flower shears
- A bucket to hold your plant materials
- A favorite container to hold your finished arrangement

*## Everything else will be provided -- Because this is a classroom set-up, space is limited.*
