

# April 2019

## **PRESIDENTS' MESSAGE:**

The March **Rummage Sale** was a huge success. Mother Nature was very kind to the FHGSC. She sent rain down to soak the earth for weeks up until it came time for the Rummage Sale. Then she let the sun come out and smile on us for the entire glorious day before she let the rain resume afterward. How lucky we are!

There were 10 sellers/vendors who purchased 14 long tables. Outside, the brick patio was decked out with beautiful paintings sitting side by side with tools, hardware and housewares at the entrance to the clubhouse. Inside, as treasure-hunters walked in, they were greeted with a vast array of photographic equipment from compact point-and-shoot to top level professional DSLR cameras and lenses. One step over, a long table laden with Persian treasures and trinkets, racks of scarves and shawls, Mycra-Pac coats of every length, shape, color and style. The jewelry section was a sight to behold. One could just hang out at this table and try on all sorts of Bling-blings. All goods were of high quality tagged at low prices. Steady stream of bargain hunters flocked to the Sale and many left with big happy smiles on their faces.

The best part was the social scene where one could hear chatters and laughter's reverberates throughout the building. It's a market place! The Club's photographer was too busy with her customers, so she didn't have a chance to take many pictures of the sale activities. Here are just a few snapshots:

The refreshment buffet for sellers was hearty and filling. Many thanks to **Ingeborg McGlynn** for the freshly baked sweets, **Yen Bachmeier** for the coffee and bagels. Our gratitude to **George McGlynn** for the making the signs, placing them at strategic locations and for helping with the set-up and take-down. We thank **Dena Aslanian-Williams** for lending her brand new real estate signposts which were tremendously helpful in directing traffic to the Sale.

Our April program will be something very different. It's time to get cultured! We will have a docent from the FAMSF come to talk about an up-coming exhibit at the Legion: **The Early Rubens**. Don't miss it!
